

Noroton Presbyterian Church announces a new Divorce Healing Ministry!

Beginning June 2nd NPC is launching a 13-week *DivorceCare* DVD seminar and recovery group for people experiencing divorce and separation. This weekly offering is open to all in our churches, in our towns, to all in our communities and neighborhoods. Come for one week, for many weeks, or come every week for support and care. *DivorceCare* is a 13-week DVD seminar series featuring some of the nation's foremost experts on divorce and recovery topics. The evening DVD presentation is followed by group discussion time.

The open *DivorceCare* evenings begin on Monday, June 2nd, and every Monday there after, from 7:30pm to 9:30pm, with refreshments at 7:15pm, in the Noroton Presbyterian Church Parlor. Directions to the church and more information about *DivorceCare* are posted on our website, www.norotonchurch.org.

The format is set up for participants to join at any time during the 13 weeks. Topics include "Facing My Anger," "Facing My Loneliness," "Depression," "New Relationships," and "Forgiveness."

To register call NPC's church office or register online. The seminar fee is \$15 for the participant's workbook.
