

AT LAST!! A **WOMEN'S LUNCHTIME BIBLE STUDY** that delivers at a convenient hour! Join Beth Peelle and Erin Kulak every Monday, 12:15-1:15 p.m. with a brown bag lunch at Noroton Presbyterian Church. We hope this time offers an option to be in God's word for those women that work locally, don't work, want to do more than one study or just can't make the hours of the earlier bible studies. We will begin September 22, 2008 and will be reading, studying & discussing the book **THE LIFE GOD BLESSES** by Gordon MacDonald.

Exactly what will this study offer? You will not only discover what can be done to lead a blessed life, but you will receive keys, disciplines, & convictions that will feed & prepare your soul towards maturity and peace in order to weather the storms of life. We are also looking forward to building authentic, supportive relationships within the group.

If interested in participating, please contact Marlene (Pastor Greg Doll's assistant) at 655-1451, ext. 49 or email mmoffett@norotonchurch.org. Please let us know if you would like us to order you a book. The first meeting will be an introduction, so there will be no homework!! We will be taking a leisurely pace so that no one feels stressed out!!
