

SUNDAY SCHOOL TEACHER VOLUNTEERS!

Help teach our children to grow in Christ

Sunday School is fast approaching, and it is time to prepare! During this time we often hear, "I can't teach Sunday School, I wouldn't be good at it." Unfortunately, so many people are under the impression that they have to have some sort of experience, degree, or teach public school to "do a good job." It is just simply not the case. All you need is a love for God, and a passion for children.

We have a variety of opportunities We have a number of ways that you can minister to the children in a time frame that will work for you.

- There are openings in both morning services
- Your commitment would only be for one Sunday a month
- Classes range from 3 years old up to 4th grade.
- There are Superintendent positions as well.

You will not be alone You will be supported by other volunteers and the staff in Children's Ministry. There is also a teachers retreat prior to the start of Sunday School where you can pick up the church provided materials, meet seasoned volunteers and receive instructions.

Now what? Contact either Samantha Theoret or Liz Morelli in the Children's Ministry Office for more information or to volunteer. Samantha can be called at ext 31 or you can email her at stheoret@norotonchurch.org, Liz can be called at ext 15 or you can email her at emorelli@norotonchurch.org.
